

Changes at your local Reuse and Recycling Centre

News update

If you are a resident of Barking & Dagenham, Havering, Newham or Redbridge and have visited your local Reuse and Recycling Centre (RRC) you should have noticed the changes we made to save you money. In May of this year, identification checks were introduced to ensure that only residents living in your boroughs continued to use the RRCs free of charge. We stopped free waste disposal from residents of other boroughs to make sure that you did not shoulder the burden of cost from residents outside the ELWA area.

The ID checks at RRCs now mean that non ELWA residents contribute to the growing cost of waste disposal in your boroughs. Also, stronger measures to prevent trade waste being illegally

tipped have been implemented. These changes are on course to deliver £1.5m of savings across the four boroughs in the first year of operation, a valuable relief when council budgets are under such pressure.

Every tonne of material tipped at RRCs costs ELWA borough residents money and with your continued support, we will continue working to improve efficiencies in order to make further savings.

When you next visit your RRC, please remember to bring either your driving licence or council tax bill as they are the **only** accepted form of identification.

Going to the tip? Take your ID.

If you live in the boroughs of Barking and Dagenham, Havering, Newham or Redbridge, you can deposit household waste for free at these sites:

- Frizlands Lane, Dagenham
- Gerpins Lane, Upminster
- Jenkins Lane, Barking
- Chigwell Road, Woodford Bridge

But you must take ID. If you don't, you will be refused entry or have to pay a charge.

Council tax bill

Driving licence

What ID do I need?

You'll need to take one form of current ID with you. A driving licence or council tax bill are the **only** accepted form of identification.

What if I live outside of the area?

If you do not live in Barking & Dagenham, Havering, Newham or Redbridge, you need to pay a charge (cash only) to deposit waste. See details opposite.

These charges apply to household waste only. Commercial waste will be charged at the commercial waste rate. The Chigwell Road Reuse and Recycling Centre does not accept commercial waste.
